

## CLEAR 1.7

PORTABLE POWER

Water Pumps Range AQUALINE INTENS

### PRODUCT ADVANTAGES

- Ergonomic, light and compact equipment
- Automatic priming
- Offeres accessories

### Range AQUALINE INTENS

Designed for water with low solid content.

### WATER PUMP SPECIFICATIONS

|  |                                       |
|--|---------------------------------------|
| Range                                  | AQUALINE INTENS                       |
| Type liquid                            | Clear water with little sediment pump |
| Suction diameter [mm]                  | 25                                    |
| Backflow diameter (mm)                 | 25                                    |
| Outflow maximum (L/min)                | 110                                   |
| Outflow maximum (m3/h)                 | 6.60                                  |
| Lifting height (m)                     | 32                                    |
| Suction height (m)                     | 8                                     |
| Granulometry (mm)                      | 8                                     |
| Automatic priming                      | Yes                                   |
| Fuel                                   | Mixing (unlead + oil 2%)              |
| Tank (L)                               | 0.60                                  |
| 75% cons. (l/h) *                      | 0.80                                  |
| 75% Autonomy (h) *                     | 0.80                                  |
| Sound power level guaranteed LwA dB(A) | 110                                   |
| Acoustic pressure level @1m in dB(A)   | 97                                    |
| Acoustic pressure level @7m in dB(A)   | 82                                    |

### ENGINE SPECIFICATIONS

|   |          |
|---|----------|
| Engine brand                              |          |
| Engine ref.                               | KC26     |
| Distribution                              | 2 Stroke |
| Start                                     | Starter  |
| Oil shutdown                              | Non      |
| Displacement (cm3)                        | 26       |
| Oil system capacity including filters (L) |          |

### DIMENSIONS AND WEIGHT

|                 |       |
|-----------------|-------|
| Length (cm)     | 33.60 |
| Width (cm)      | 23.70 |
| Height (cm)     | 31.30 |
| Dry Weight (kg) | 5.50  |

### PACKAGING

|                                    |        |
|------------------------------------|--------|
| Packaging type                     | Box    |
| Length (cm)                        | 35.80  |
| Width (cm)                         | 26.30  |
| Height (cm)                        | 32.30  |
| Weight (kg)                        | 6.80   |
| Pallet type                        | 120/80 |
| Number of box by pallet            | 36     |
| Pallet height (cm)                 | 142    |
| weight of the packaged Pallet (kg) | 254.80 |
